

I wish to confirm that, at its meeting on 15th January 2009, the Medical Council passed the following resolution:

Without prejudice to section 89(3)(a)(i) of the Medical Practitioners Act 2007, an existing individually numbered, identifiable post on the Register Establishment date shall be deemed to be an individually numbered, identifiable post for the purpose of trainee specialist registration on commencement of the Registration Rules 2009, pending review.
